OCTOBER 2018

Writing a Useful Business Plan

Delivered by Liam McGarry, McGarry Consulting

9th October, 8:30am – 10.30am

KPMG

How do we move from thinking about a business plan to doing one... and do we even need one? How short can it be, who will read it and is there a template I can use? And how can I get help with the cashflow/finances bit? We'll answer these questions and more at our business planning workshop.

Liam McGarry has 20 years experience helping organisations with business plans from a few thousand pounds to £10m+. He's worked with everyone from Pintsized Productions to the Grand Opera House, and mentored on behalf of Arts Council, Arts & Business and Blick Studios. Liam's session will be informal and a great chance to meet and learn from other businesses too. It's the perfect opportunity to start or update your business plan. To put your ideas on paper, or just to learn a little more about the process.
